

# White Papers

## Promote and archive your White Paper on [pffc-online.com](http://pffc-online.com).

Located prominently on *PFFC's* Home Page, our White Paper library covers topics that are unique, innovative, technical, and/or stimulating and have specific interest to converters.

Boost your white paper's visibility by including your logo (**FREE** to all white paper sponsors) that will accompany your white paper synopsis or ask your sales representative how your company can further boost its exposure with Web banner advertising.

White Papers can include references to your company and its products (but should not denigrate competitors or their products). There are no restrictions on length and your company's White Paper can include an unlimited amount of photos, diagrams and charts.
